

Competition Rule

- When a team is down by 4 goals, they may add an additional player
- For each 4-goal differential an additional player may be added
- If the losing team does not have additional players to add when they have a 4-goal differential, then the winning team must remove a player from the field
- This may not apply to teams playing in inter-city leagues
- This information is contained within the Local Rules of Competition that has been provided to all coaches and referees.
