- **Recruiting Assistance:** Billy Welcome and Matt Truding are dedicated to assisting each family in finding the best possible athletic and academic fit for players interested in playing at the next level. We encourage each family to communicate with Billy (boys) or Matt (girls) throughout the season to assist in making the most of your son or daughter's playing experience with ALL IN.
- **College Basketball Opportunities:** The ALL IN staff has worked hard to build meaningful relationships with college coaches and scouting services over the past 18 years. We will ensure that each player is put in a position to receive appropriate college exposure opportunities during AND after the season. "ALL IN has been a great program for Jeannie. It was important to us to find the right balance - a high quality program that provided the right opportunities and exposure, but also a team-oriented atmosphere where the coaches really care about the players on and off the court. ALL IN provided all of that."
