To whom it may concern,

I am submitting this letter of intent to express my interest in continuing to serve on the MAHA Board of Directors for the upcoming 2026-2027 season.

As a dedicated parent of both a daughter, who plays on the u10 girls team, and a son, who plays on the u8 team, I am passionate about fostering a positive environment for all of our players, coaches, association members, and family and friends of our players.

Having served on the board as a director for the past two years, I have gained insights into the operations and challenges faced by our organization. This experience has further strengthened my commitment to promoting the development of our program and hockey within our community.

I am eager to collaborate with fellow board members and association members to ensure that our players receive the best possible experience during their time on and off the ice.

Thank you for considering my application. I look forward to the opportunity to serve and make a meaningful impact on the MAHA community.

Thank you for your consideration,
Nikki Bushey
