HAVE YOUR BUSINESS LOGO ON OUR BALL FIELDS!

Sponsor the Ellsworth Baseball Softball Association by having your business sign on the EBSA outfield fences at our Brown's Field Complex in Hager City!

The EBSA has a four-to-seven-month season with over 100 participants in the traveling baseball and softball programs. Several surrounding communities enjoy ball games at our 3 fields in Hager City. Your business will have a great deal of exposure with a sign on our fences in conjunction with helping the local youth that participate in the Ellsworth Baseball Softball Programs.

HOW IT WORKS

1. Fill out the attached form and mail it back with payment.
2. Confirm or change your sign location(s) on the outfield fences at the Browns Field Complex in Hager City.
3. EBSA will have the sign(s) made and place on your designated spot on the outfield fence.
4. Come to a game to see your sign!

- **RENEWAL** - renew your spot annually for the cost of the rental space, a contract renewal letter will be sent to you in February.
- **SIGN** - the sign becomes property of the business once the commitment is not renewed.
- **REPLACEMENT OF SIGN** - the signs will be stored indoors during the winter months to preserve them as much as possible since there is no activity on the fields during that time.
