

August 8, 2024

Hello,

My name is Jake Ottolini and I am the fundraising chairperson for Bow Youth Football. I am writing with hope that you will consider supporting Bow Youth Football in 2024. We are entering our 19th season of football and have over 70 eager players this year!

Our players range in grades from third on up to eighth. Your support enables the Bow Youth Football program to provide a safe, educational, fun and LOCAL experience to our youngsters. 100% of the money we raise for Bow Youth Football goes directly towards new protective gear, uniforms and training equipment for the kids.

We have multiple levels of sponsorship all of which will include your business on our website (www.bowyouthfootball.org) which has received over 1,000,000+ hits to date! Your support provides your business access to the desirable hometown audience throughout the football season.

“Super Bowl” level sponsorship (\$500+) will include your company logo on our “Super Bowl Sponsorship Banners” and on the BYF web site, also our home game announcers will recognize your business loudly and proudly several times per game at each home game.

“Teammate” level sponsorship (\$200 - \$499) will include your Company name listed on our Sponsor Banner and on the BYF web site.

“BYF Fan” Level sponsorship (up to \$199) will include your name listed on the BYF web site.

All levels are greatly appreciated!

You can contact Bow Youth Football directly by sending an email to: info@bowyouthfootball.org with questions or sponsorship requests. Payment and logo submissions received by August 31, 2024 will ensure that your business is included on our home game banners.

Thank you for your consideration to support Bow Youth Football!

Sincerely yours,

Jake Ottolini (Vice President - BYF)
