## NORTH/SOUTH CHALLENGE RULES AND REGULATIONS

- All games will be played according to **USA Hockey Rules** as modified by Minnesota Hockey.
- A maximum of **20 players and four coaches** with appropriate USA Hockey certifications are allowed on the team bench.
- All referees are certified by USA Hockey. **All referee decisions are final**; no protests are allowed. The **Zero Tolerance policy** will be enforced for all players, coaches and spectators.
- Game Times**
  - A five-minute warm-up period is scheduled prior to each game. The clock will start once the first team steps onto the ice. Please be ready at designated times. Games may start up to 15 minutes early.
  - All Pee wee and Bantam games will be three, seventeen-minute stop-time periods.
  - Each team gets one timeout per game.
  - All games will be running time when a five (5) goal lead exists after the second period. The game will return to stop-time if the margin is less than five (5).
  - Ice will be resurfaced every two periods.
- Pool Play Games.** Teams will be awarded three (3) points for a regulation win, two (2) points for an overtime/SO win, one (1) point for an overtime/SO loss, and zero (0) points for a regulation loss.
- Pool Play** standings will be determined according to point totals. Ties in pool standings will be broken using the following criteria:
  - Two Teams Tied:
    - Head-to-head results
  - Three or More Teams Tied:
    - Total points in games between tied teams
    - Total plus/minus in games between tied teams with maximum 8 goal differential
    - Fewest Goals against in games between tied teams
    - If three teams are still tied restart process at step one using all games played.
    - Coin Flip
  - Note: If three or more teams are tied, once a team is seeded, the tie-breaking criteria will be reset for the remaining tied teams.
  - Example:
    - Team A scored 7 goals and allowed 4 goals 7-4 = +3
    - Team B scored 9 goals and allowed 7 goals 9-7 = +2
    - Team C scored 8 goals and allowed 5 goals 8-5 = +3
  - This would place Team B as the third seed and Teams A & C would go back to head-to-head results.
- Overtime Procedure (For All Games)**
  - Overtime will be a five-minute sudden victory period with three skaters per team (3) skaters plus a goalie). If a team has a penalty, play will be 4 on 3 and any additional penalties to short-handed team will result in 5 on 3 play. When the penalty expires, play will continue at 4 on 4 or 5 on 5 until the next stoppage of play.
  - If the tie is not broken, a shootout will follow to determine the winner. Each team will select three (3) players who will alternate taking penalty shots. The home team will have the choice of shooting first or second. Best out of three wins. If still tied, the shootout will go to a sudden death format, alternating one (1) player per team until a winner is determined. Players may only shoot once and cannot shoot again until all eligible players on roster have participated. Any player with penalty time remaining at the end of the overtime will not be eligible to participate in the shoot-out.
- Medical Personnel/First Aid.** A certified athletic trainer, emergency medical technician (EMT), paramedic or medical physician shall attend all games. All decisions regarding an injured player returning to competition during the tournament will be made by the Tournament medical staff. All decisions are final.
- Jerseys.** Each team should have two (2) separate Jerseys, white and dark. The home team is listed **FIRST** and will wear their white or light-colored jerseys.
- Locker room assignments** will be posted for each day.
- Have FUN!**

### ABOUT THE BLUE LINE CLUB

The East Grand Forks Blue Line Club is a dedicated group of volunteers, parents, and community supporters who work behind the scenes to strengthen and support local youth hockey. Through fundraising, events, and ongoing advocacy, they help provide equipment, ice time, and program improvements that keep hockey accessible and affordable for families. Their efforts directly enhance player development, safety, and overall experience on and off the ice. Thanks to the Blue Line Club, East Grand Forks Youth Hockey continues to grow and thrive in our community.
