

MIHS ISLANDER FOOTBALL FAMILIES!

Here's everything you need to know about our program communications.

WEBSITE - Go to www.mifootball.org. We highly recommend taking a few minutes to explore our website. This is the hub for all of our program information, including access to our newsletters, team calendars, season schedules, specific team/program updates, Booster Club membership, auction/fundraisers, volunteer opportunities, etc. *This website is maintained by the Mercer Island Football Booster Club.*

SPORTSENGINE - This is a communication and registration tool for parents and players, *managed through our [website](#)*. One parent/guardian must set up a primary SportsEngine account using their name/email/cell phone. Once your account is set up, you are able to use the player registration links we send out for training, Team Camp, etc. We use SE to help with time-sensitive updates and other team-specific communications, but we also use it for rostering, processing paperwork and payments. To get started, see the detailed instructions listed on the next page. Once set-up, a player's information will be linked to them from one season to the next for as long as they are a part of the program.

HUDL - *This communication and video review/analysis tool is used between coaches and players.* Once a student-athlete is registered through the [MIHS Athletics Dept.](#), our coaches will send an email invitation for the player to join our program's Hudl account. The player will need to accept the invitation to join in order to receive Hudl communications. For help with Hudl accounts, please email [Coach Slezing](#). If your player is not on HUDL, please make sure they talk to Coach Sledge asap

ISLANDER NATION - *This is our program-wide, youth through high school, newsletter.* This is primarily used to communicate general information and important program updates from the Booster Club and coaches to the parents (players are also welcome to sign up to receive the newsletter). To join, please use this [link](#).

MIHS ATHLETICS PAGES - *Managed by the MIHS Athletics Dept.*, this is where you will find important MIHS athletics and sport-specific announcements and information. This includes necessary registration materials, deadlines, forms and updates. Click [here](#) to go to the MIHS Athletics page and click [here](#) to go to the MIHS Football page,
