

Game Day MPR Basics

All teams need to bring at least two (2) copies of each team's MPR to each game.

1) Go to a team's roster in Affinity and click on the "Team Roster" tab shown below.

2) Scroll towards the bottom of the page to the section underneath all the players.

3) Only choose either **Print MPR-Away** or **Print MPR-Home**. Teams that have the same jersey numbers for kids home and away (almost every team) can technically choose either one as long as all jersey numbers are entered accurately in Affinity and correspond to the jerseys that will be worn that day.

4) **DO NOT PRINT OR USE ANY OTHER MPR FOR GAMES!!** They are all crossed out in the example below and the other versions of MPRs **are all invalid** for use for counting plays at official games.

On game day, the upper row of MPRs are for 10U & above (6 plays, 8 plays, 10 plays) and the lower row MPRs are for 9U & below (8 plays, 10 plays, 12 plays) **based on the number of actual rostered players that show up and are able to play in that game** (not simply the # of players on the roster).
