

SUN CITY WEST SENIOR SOFTBALL CLUB

RULES FOR SPECTATORS TO ABIDE BY

Club members not playing in the current game are considered spectators. The current rule of player's not arriving early and leaving right after their game still applies.

Players are asked to limit the number of people accompanying them to their game to one person. Monitors at Kuentz count the number of people at all areas of the Rec. Center. We need to make sure our count remains under the recommended levels by CDC, Maricopa County and SCW Rec. Center.

Spectators must wear a mask at all times to include covering your mouth and nose as well as exercise social distancing (6 feet). Club Monitors and Rec. Center staff will remind you to cover up and move apart when necessary.

Spectators must sit in designated seats. Spectators must remain in the same seat throughout your visit to Liberty Field. All seats are cleaned so we don't want to be cleaning a number of seats due to spectators moving around. Cleaning of seats and dugouts will take place after each game in preparation for the next game.

If you must leave your seat, place something in the seat or ask someone to save your seat so you can return to the same seat.

The Rec. Center staff approved spectators at Liberty Field to eliminate spectators from having to stand or sit on the sidewalk on RH Johnson Blvd. or sit in your car or golf cart to watch our games. Your cooperation is appreciated. We need to remember that other clubs are watching us just as we watch other clubs. We need to minimize the questions of why our club can have spectators and they can't.

All of the above will enable you to watch our softball games in a safe manner and enable all of us to help control the spread of COVID-19.

If you do not think that you can comply with these rules, feel free to leave, and thank you for supporting the SCW Senior Softball Club.
