

April 9th, 2019

Dear SAHA,

Please consider this my expression of interest for the SAHA Georgia Board of Directors position available. My hockey resume is below but in short, I've been a member of the Georgia hockey community for 19+ years serving in various capacities including as a Board member of SYTHL. I have twin 8-year old boys who will be in Mites and believe that both Skill Development and Coaching Education are top priorities. Coaches, Coaching Staffs, administration, and volunteers all must learn how to teach our future generations.

Best Regards,
Mike Kotas
