

Lanchester Blast Volleyball
227 Main St Apt A
Parkesburg, PA 19365

SPONSORSHIP FORM

Lanchester Blast Volleyball Club is a non-profit organization, in which, all of our coaches, directors, and team parents volunteer their time to make it what it is today. This will be Lanchester Blasts' 11th consecutive season of teaching kids in our area, not only how to play volleyball, but teaching them life skills, as well.

We have on average, 11 teams a season, ranging in ages 9-18 years old. We practice within the Octorara School District, but welcome kids from all over. We believe by opening our doors to players from outside the school district, we will reinforce the meaning of good sportsmanship, and after 10 years of running our program like this, I can tell you, this is the case. The girls love to see their former team-mates on the other side of the net, and whether they win or lose, the game ends with hugs and photo opps. This is what we are most proud of at Lanchester Blast.

Our teams participate in approximately 5 local tournaments, a regional tournament, and a grand finale tournament that requires a hotel stay. We begin our season in January and typically end in May. This means our coaches, players, and parents spend many months getting to know one another. By the end of the season, we hope to have given them more than just a successful volleyball season, but lasting friendships and life skills they can carry with them forever.

In an effort to keep the cost of playing affordable, we ask our families to seek out sponsors. Your donations will be tax-deductible and your name/logo will be advertised on our website, on our practice/sponsor t-shirts, and on a banner. For a more detailed description of our donor rewards program or to **DONATE ONLINE**, please visit our website at www.lanchesterblastvolleyball.com
