

Dear Friend of Laguna Beach High School Baseball,

The Laguna Beach Baseball Boosters are offering banner advertising opportunities to support our team in the upcoming 2023-24 season!

We have a great program with incredible student athletes, dedicated coaches and will once again be competing in the highly competitive Sunset League. High school sports develop responsible young adults, promote academic excellence, competitive teamwork, leadership, and exemplary sportsmanship. Students who participate in high school sports learn the benefit of representing their community on and off the field.
