

Hello Hockey Parents/Guardians-

It's almost here! We are just a few short days away from the start of the Midwest Selects Hockey Tournament 2020!

We can't wait to kick it all off Friday morning with games starting at 9:00 am.

The full game schedule can be found at www.midwestselects.com

Or on the mobile app, SportsEngine.

A few **IMPORTANT** notes:

-Due to the Governor's recent Executive Order, Fogerty Arena is requiring all parents, caregivers and spectators to wear face coverings/masks upon entering and while in the arena. Their staff will be monitoring this regulation throughout the weekend, so please adhere to this requirement.

Players and referees are required to wear face coverings/masks while entering and exiting the arena, but will NOT have to wear them on their way to the ice, on the ice or coming off the ice. They DO need to wear face coverings/masks while in the locker room.

The rinks are currently at 25% capacity for spectators, so the North rink will accommodate 75 people and the South rink will accommodate 250 people. Players and coaches are allowed in the rink 15 minutes prior to puck drop. Parents/spectators will be allowed in at the start of the game and are asked to exit following the completion of the game to allow the next game's spectators to enter. Thank you for your patience and understanding as we navigate through these unique times.

-Players should bring their own water bottles.

There will be exclusive Midwest Selects apparel available for purchase starting Friday and will be available throughout the weekend. Stop by on your way through!
