  2. People leaving (Walt, Meghan, Frank and Holly). Walt thanks people on board. Remind that enjoyable part is for the kids. Most volunteers are for 2 reasons. First is to help (these are the good ones) and second is people who have agendas. These are the problems and lose focus on the kids. The kids need to be the focus. Fundraising has led to upgraded facilities (Deks, M1, M5 and Cherokee). Redid coaching procedure. Financial is in much better shape thanks to Erin. New sports (flag football, etc.)
  3. Public Comment - Sharon Brophy raised an issue she had regarding her daughter. Stated that she did not need a special accommodation but felt that her complaints had not been handled well. Ms. Brophy was informed of the inclusion committee and was told she could volunteer. Ms. Brophy expressed interest in the committee.
