

# STARZ Volleyball Club

2025-2026 Season

## STARZ VOLLEYBALL INFORMATION

**Register by Tuesday, July 22, 11:59 PM to secure a position.**

We are happy to announce that we are offering your daughter, or son, a spot in our program for the 2025-2026 season. If you would like to accept the offer, please register your daughter, or son by **Tuesday, July 22, 11:59 PM**, to secure the spot.

## PLAYER REGISTRATION

Register online at [www.StarzVB.com](http://www.StarzVB.com), or call our office, 779-537-3412, on Wednesday, 9:30 AM-9:00 PM

**Players with a uniform from the 2024-2025 season, do not need a new uniform.**

**Please make sure the uniform from last season fits and is in good condition before registering.**

**We will be ordering any needed uniforms by Monday night.**

**MULTIPLE ONLINE PAYMENT PLANS WITH UP TO EIGHT MONTHLY PAYMENTS AVAILABLE**

As our Starz program continues to grow, we are adjusting how teams are formed. This year, we will have two tryouts, one in early July & the second will be our traditional tryout in September for grade school & November, for high school.

We will be offering spots in our program to athletes after each tryout, but actual team rosters will not be formed until two weeks after regular practices have started. We recommend athletes attend the early tryouts, but athletes who can't make the early tryout are welcome to come to the traditional tryout, to be evaluated for any open spots.

Please note that the player registration fees listed apply to the regular season, which typically begins around November 3 and concludes in March or April. This timeline reflects the format we've consistently followed over the past several years. Historically, after the conclusion of the regular season, we have offered opportunities for players to participate in extended season play. Based on feedback, we are considering forming some teams, 13U-18U, that would compete from the start of the season through June.

The decision to form these extended season teams will be made during the first two weeks of practice, as teams are established. At that time, you will be asked whether you are interested in committing to the full extended season. Please be prepared to give a response and understand that this is a more significant commitment, both in time and cost. If your daughter is selected for one of these teams, additional fees will apply, and we will provide detailed information at the time any offers are made.

**Call Chuck at 815-509-1339 with any questions.**
