

Menasha Basketball

Dear Respected Menasha Athletics Supporter,

On the courts and in the gyms here in Menasha, the boys are beginning to prepare for the upcoming 2023-24 season. Alongside them, the coaches & club members of Menasha Boys Hoops Club are excited for another year to pursue our mission to collectively grow as people in order to excel in the classroom, succeed on the court, and positively impact our community.

As you may know, there are certain costs that must be accounted for to provide the equipment, opportunities, and support necessary to fulfill that mission. These costs include but are not limited to equipment, entry fees into youth tournaments, basketballs for all age groups and scholarships for students who otherwise might not be able to play. We are reaching out to area businesses to see if they would be willing to sponsor our program. We understand that in the current business/economic environment these decisions are difficult to make and want you to know that any amount would be incredibly appreciated.
