

DELTA VALLEY VOLLEYBALL CLUB

TRAINING CHAMPIONSHIP TEAMS SINCE 1989

Dear Prospective Sponsor:

Thank you for taking the time to find out how you can help young women athletics of today by providing them with an opportunity to develop athletically, physically, and emotionally. Delta Valley Volleyball Club is a non-profit competitive girls' volleyball organization devoted to the youth in our community and neighboring counties. We train all year to compete with other volleyball teams throughout California, as well as nationally. Our program teaches the importance of good physical and mental health, physical fitness, and athletic toughness with an emphasis on building life skills such as leadership, respect, integrity, hard work, sportsmanship, and dedication.

This year's Delta 18s Blue Team is led by Head Coach Robin Chandler and Assistant Coach Hannah Tishlarich. The duo has been together for the previous three seasons and all of their teams have made it to USA Volleyball Junior National Championship. This year's Delta 18s Blue team is made up of 10 amazing young women from all over the area. We have girls from Manteca High, Bear Creek, Lodi High, and Franklin High. This year's team was able to qualify for the USA Volleyball Junior National Championship in Baltimore after some inspired play at the Sierra National Qualifier held in Sacramento.

This year's team had the great opportunity to play against some of the best teams in California through the Northern California Volleyball Association's Power League, where they proved they could compete with the best finishing in the top 6 out of all of Northern California. The team also had the amazing opportunity to travel outside the state to compete with the best teams nationally, in order to fight for a bid to Junior National Championship, as well as gain some national recognition. This year's team traveled to Las Vegas, Salt Lake City, and Spokane.

First, we are setting a team goal of \$7,500 that will directly benefit the Delta Valley 18s Blue Team. This amount will help offset the cost to travel to Nationals, including hotel, food, airfare and fees for the players and coaches. Secondly, with your help, you are enabling our team members to participate in the most exciting and prestigious tournament of their high school volleyball careers. For 8 of the 10 girls are seniors this year and this will be their final farewell to club volleyball. Several of the girls have already drawn college interests from schools across the country for not only their athletic ability, but also their academics as well. In addition, the girls volunteer at their churches, local athletic programs, elementary schools, community events, baby sitting, and assistant coaching. Also, to add to their various accomplishments, many are working part-time jobs. Our sponsors will be recognized based upon sponsorship level. Lastly, we hope that you can help our kids in one of the included sponsorship categories. No contribution is too small. Donations will be accepted at any time between now and April 19, 2024. If you have any questions, please contact Liza Kanemura, team mom, at (209) 329-6784 or via email at gkanemura@aol.com

Thank you for your time and consideration.

Sincerely,

Delta Valley Volleyball Club Delta 18s Blue Team

Richard Chan – Club Director/Owner
