Does your child want to learn how to play hockey? Or, is your child already in a hockey program but you would like to add another day of on ice hockey that is FUN?

Who is this program for?

The Jr IceCats program is designed for kids under the age of 10 that know the basics of skating and want more fun hockey ice time. The format is designed to reinforce skill development but focused on fun!

How is this program different?

The approach for the Jr IceCats is to simply develop the natural love of playing hockey with friends. This fun and fast paced program centers around obstacle courses inspired by Ninja Warrior, small area hockey games and timed relay races among teammates. This approach keeps players playing and improving core skills, most importantly emphasizing having fun through an immersive experience.

*** Includes admission to OR high school hockey games (boys & girls) + free water bottle*
