

## TREVOR NORTON

Trevor Norton returns to the NCR High Performance Program for his second season – this time as the Boys U17 Head Coach. Last season, Trevor was the NCR Boys U17 All-Star Team Assistant Coach.

Volleyball has been Trevor’s life ever since his mom made him tryout for my 5th grade team way back when. Mom definitely deserves recognition, since I did not want to try out and now it is Trevor’s favorite sport. Trevor played through 8th grade and made the High School JV and Varsity teams at Catholic Memorial in Waukesha, WI.

During his middle and high school years, Trevor also participated in Club Volleyball, playing for Lake Country and North Shore Men’s Clubs. Throughout the summers in high school, he had the opportunity to coach both indoor and beach volleyball to 5th - 8th grades as well, beginning his coaching career. I

Trevor attended the University of St. Thomas here in Minnesota, starting all four years on the club volleyball team. During his senior year, he acted as both Team Captain and Club President, and after graduation, Trevor took up the position of Head Coach for the club. The University of St. Thomas Club Team placed 9th, 5<sup>th</sup>, and was ranked #1 going into the National Tournament before Covid hit.

Trevor coaches at MN Select, and in the 2022-2023 season, his Boys 18-3s team took home 3 gold medals. He is currently the head coach of the MN Select Boys 18 National-3 team.
