

# ***ATTENTION BLIZZARD YOUTH AND HIGH SCHOOL HOCKEY PLAYERS!!!***

**BREAKING NEWS:** The high school coaching staff, Coach Novinska and Coach Anderson, are creating a club. This club is called the “10K Puck Club”

**HOW DO YOU GET TO BE PART OF IT?** You have to EARN your way into the club. To earn your way into the “10K Puck Club” you have to shoot 10,000 pucks between April 1st and November 9th- the start of the hockey season. Record your shots on a “10K Puck Club Tracking Sheet” and turn it into the high school coaching staff if you can reach the goal.

**WHO CAN BE PART OF IT?** Every hockey player that is part of the Blizzard Hockey family can be part of the club. This includes: Mites, Squirts, Pewees, Bantams, and High School Players.

**WHERE CAN YOU SHOOT PUCKS?** Anywhere! Your house, your buddy’s house, the rink you name it! It can be both on ice during practice or games, or off ice.

**BENEFITS OF EARNING WAY INTO THE CLUB?** There are a lot of awesome benefits of earning your way into the club. Players who make their way into the club will: • Increase their shot accuracy

- Increase their shot speed
- Decrease the time it takes to get shots off
- Increase puck handling skills
- Increase the ability to play with eyes up
- Increase the ability to SCORE GOALS
- **Earn a sweet prize for making it into the club**

**NOTE:** This is NOT an easy club to get into. Shooting 10,000 pucks requires a lot of work. 10,000 pucks average out to be about 50 pucks per day, every day, for 7 months. With all of this being said, ARE YOU GOING TO PUT THE WORK IN? ARE YOU GOING TO GET BETTER THIS OFFSEASON?
