JR FUEL TIER II TRAVEL

At the boys Indiana Elite tryouts in April saw a record 20 players advance from various Indy Jr Fuel Tier II travel teams to IE Tier I AAA teams. This special accomplishment is even more rewarding considering the fact that IE tryouts had more registrants this year than ever! Leading the advancement charge was last season's 16U Gold team with five 2008 born players advancing to a very competitive Indiana Elite 16U AAA team.

To build off of that momentum: TRYOUTS ARE ALMOST HERE FOR 2024-25!

Tryouts for all Indy Jr Fuel Tier II Teams (Gold, Black, Red & White) will be held May 17th to 19th at the Carmel Ice Skadium.

Registration and more information at www.iyha.com/tier2

GIRL'S HOCKEY

Much like the boys just a few weekends before, our IYHA Jr Fuel Girls saw immense success at the Indiana Elite AAA tryouts that took place May 4th & 5th, with advancements at every level!

IYHA Jr Fuel girls who did not make an IE team still have plenty of opportunity to play for a Girls team this year. Tryouts for the 10U & 12U Tier II Girls teams will take place Friday, May 17th. Visit www.iyha.com/tier2 for details, additional info, and registration
