

We're excited to announce the continuation of our sponsorship program—and we're asking for your help to make *Year Two* even better! As we build on the success of our first season, your involvement is key to ensuring another strong year for our players and our program. We are aiming to bring in *our highest number of sponsorships yet*, which will help fund team expenses and create the most rewarding experience possible for all our athletes. With your support, we believe we can secure valuable contributions from both businesses and families in our community. Here's how you can get involved—and how we'll thank you for your efforts:

Sponsorship Incentives : As a token of our appreciation, you'll receive the following rewards for each sponsorship you help bring in:

- \$5,000+ Sponsorship – Base *Spring membership fee waived (\$2,250 per player)*
- \$3,000+ Sponsorship – *Spring break fee waived (excluding travel, per player)*
- \$500–\$1,000 Sponsorship – Complimentary *Gift cards*

Note: Each incentive can be applied to one player per sponsorship, per family. This is our way of giving back to families while still meeting essential fundraising goals.

Sponsorship Deadline : All sponsorships must be received by December 1st, 2025 to qualify for player incentives.

Important: All players must complete registration and payments upfront. Once a qualifying sponsorship is received in full, you will be refunded the amount earned based on the incentive level outlined above.
