

Hotlanta Softball League Policy on Grant Sponsorships

Hotlanta Softball League (HSL) is proud to have 501 (c)3 non-profit tax exempt status. Having this designation will open doors to a variety of possible league donations and sponsorships of teams.

If a potential team sponsor needs to claim the sponsorship as a charitable contribution, those funds will need to be donated to HSL and the team will then need to apply for a grant from HSL.

HSL will receive 5% of the total donation for administrative fees.

The first \$500 received, per team, during a calendar year (January – December), will be exempt from the 5% administrative fee.

This Grant Request Form must be completed in order to receive funds.
