Home Game Duties

Table Setup:
Arrive early to game

      All items are found in the yellow sports box.

      Coach and manager have the code to unlock

      Set up score table, and chairs and clock

      Help set up field

      End of game (unless there is another game after ours)

      Put table, chairs, clock back in yellow box

          ***MAKE SURE TO LOCK THE BOX **

Score Keeper:
      Please make sure that you are at the score table **10 min before game starts!!!!**

      There is an example in the game book of how to do scoring/ penalties Manager will have the book

Score- who scored and time scored

Penalties- keep track of player number, type of penalty and time for penalty

      Ref will give you this info

      Please make sure to document this accurately

      This can be used for documentation of excessive penalties by YLM

Please have both coaches initial the sheet to verify the final score

Managers have to enter it on YLM website and it is used for state seeding

      **Managers are responsible for entering the score into YLM. If they are not at the game we need to know that the coaches verified final score

Give book back to manager

Clock:
      Directions are in the manager book

      Please arrive 10 min before game so you are sure how to run the clock!

      There are 4 / 12min run time quarters

      Please bring your phone to set a timer for penalties (this is easier than the one on the clock)

Score keeper:
There is example in the book (manager will have game book)

Score- who scored and time scored

Penalties- keep track of player number, type of penalty and time for penalty

      Ref will give you this info

Please make sure to document this accurately
This can be used for documentation of excessive penalties by YLM

Please have both coaches initial the sheet to verify the final scores
Managers have to enter it on YLM website and used for state seeding

Field Set Up:
Set up cones on the field if first game of the night. Please gather cones at end of game if last game for evening. Place in yellow storage box and make sure it is locked when done
