

# HOW TO PAY AS A TEAM

Inviting teammates to sign up online and make payments  
towards your team's invoice.

# YOUR OPTIONS

Quickly invite your players to register for your team in three different ways

You will have the option to invite your players in many ways, depending upon what's most convenient for you. Check out the options below

1

## DURING REGISTRATION

When entering your team's details while registering online, you can add player names, emails and payment amount.

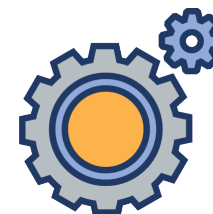

2

## AFTER REGISTRATION (WITH TEAM LINK)

After completing registration, you will receive an email with a copy of your receipt and a custom team invitation link.

3

## AFTER REGISTRATION (WITH EMAIL)

After completing registration, you can log in to your player account and enter in names, email & payment amounts.

# INVITE PLAYERS DURING REGISTRATION

PEAPPLE®  
PAYMENTS

Add To Cart

After entering your team name during registration, you will be taken to a page where you can enter your role and if you are a captain, along with any additional notes you'd like to pass along.

From there, click the green “Add Player,” button where you can type in player name, email address and recommended payment amount (optional) before adding to the cart. This will trigger a customized email to be sent to each player with an invitation to join the roster, sign their waiver and make a payment towards your team invoice.

If you enter a recommended payment amount, they will be told how much to pay in the email and the amount will be auto-filled at checkout. If you do not enter a recommended payment amount, they can choose to pay however much they would like to at the time of checkout.

# INVITE PLAYERS WITH A TEAM LINK

*There are three ways for you to get your team registration link after signing up.*

1. After completing registration, you will receive an email with a copy of your receipt, along with a team-specific link that you can send to teammates on your own via Text, Email, Facebook, etc.
2. You can log into your Player's Club account after having registered and go to your "Current Teams and Shortcuts," tab. Click on your team name and then you can choose "Copy Link," to copy your team registration link
3. If you cannot find your email with the team link or cannot access your Player's Club account, contact the front desk at the rink. We can send you an email with a copy of your team's registration link.

After registering, you can log into your Player’s Club account and enter your team roster to have them receive automated emails with a recommended payment amount.

You also can see the status of invited players to see if they have accepted their invitation or not, and you can re-send invitations to them or copy their player-specific link for your team’s roster.

For people who should no longer be on the team, click the red “X,” to remove them from your list.
