

**VMHC Letter of Intent  
For  
Justin Bradshaw**

Please consider this letter as my formal intent for nomination to the VMHC board. As a Vail Valley native, I'm honored to have been part of the VMHC club as a youth player, including a few years on the AAA teams. Now, as a committed local and parent, I am excited to be involved in the sport again as my three kids begin their own hockey journey.

I believe I can provide a unique perspective to club decision making and can lean on my experience as an entrepreneur and CEO as well as many years sitting on various non-profit and for-profit boards.

I look forward to the opportunity to contribute to the lasting legacy of Vail hockey.

Sincerely,  
Justin Bradshaw
