

**Brandon Valley Baseball Association (BVBA)**  
**2020 Little League Minor and Intermediate Rules**

**The Game**

1. Intended length of the game is six (6) innings. There will be a 1 hour and 40 minutes time limit. No new inning will start after the time limit. All games will end after 2 hours. The umpire will be the official time keeper. If one (1) team is ahead by 15 or more runs after (5) innings the game will be over. Games may end in a tie during regular season play.
2. Official games will consist of a minimum of 4 complete innings (3½ if the home team is ahead). If a lesser amount of innings is completed and the game is postponed because of weather, the game will resume at the point play was suspended, if possible.
3. Rainouts and postponements will be rescheduled, if possible, by the League Representative in cooperation with the two affected coaches.
4. A minimum of eight (8) players per team is required to start a game. When batting, the ninth (9) positions will count as an out. If one team fails to field 8 players, it will forfeit the game. (In this situation, coaches are encouraged to play a scrimmage using players from a combination of both teams if possible in this scenario). If a team has 6, 7, or 8 players available to play a regularly scheduled league game they may pick up players from other teams (non-travel team players only may be picked up) to get to 9 players. All pick up players will bat at the end of the order and must play in the outfield.

12. The BVBA executive board has decided that the end of the year playoff pairings will be determined by random draw at the draft. This decision was voted on by the board and is being implemented to allow all teams to foster the development of all players by providing them playing time in multiple positions throughout the season in our developmental Little League Minors and Little League Intermediate divisions. Records of finishes will be documented and league standings will be recorded, however, playoff pairings will be pre-determined.
