Coaches

- Adam Mann, Jerrad Hallstrom, Cody Morris

Squirt (10U) Hockey Approach in Fremont

Positions are not set in stone for 10U house hockey. We actually encourage all players, including goalies, to play other positions from time-to-time. That being said, we do need folks to play goalie and give Select goalies a chance to skate out in some house games. Please stay in touch with the coaching staff and we will set a rotation on goaltending for house games if we know your child would like to play.
