### **Objection**

Dear IRONMAN 70.3 Erkner Team,

Referring to your mail from 10. December 2021, please do **not** use my name, email address, address, and information with respect to my contractual relationship, especially my attendance at former events after the 07. January 2022 any longer. I acknowledge, that the personal data, even in the event of my objection, needs to be stored by IRONMAN Germany GmbH until the end of the customary statute of limitations or statutory retention period. If I am registered for the upcoming IRONMAN 70.3 Erkner, 5150 Erkner or 4:18:4 Erkner triathlon event I will still continue to receive event related information about the event I am registered for.

Thank you very much.

Yours sincerely,
