BRAY BOWL

The LMYFC season was kicked off this year in July with the hosting of our seventh annual Bray Bowl at the Little Miami High School. This event was established in memory of Panther athlete Brayden Thornbury who passed away in 2014 following an automobile accident. All proceeds from this event are provided to the Brayden Thornbury Scholarship Foundation that provides athletic scholarships to Little Miami High School athletes in financial need that have demonstrated a commitment to both academics and athletics. This year we were excited to welcome 97 individual teams from 18 community programs to support this event. We also received generous contributions towards the event from community vendors Spirited by Design and Kona Ice who are continued supporters of the Bray Bowl each year and the LMYFC program. LMYFC is pleased to present a contribution to the Brayden Thornbury Scholarship Foundation from this years 2023 Bray Bowl event for a total amount of \$31,334.32.
