Things are going smoothly. We currently have over \$50,000.00 in our account. We have 68 kids registered as of today. There was one charge that was an accidental charge that Troy will work the person to get cleared up and paid back.

### Old Business

#### 1. Spirit Wear Offerings- Kelli

We discussed what offerings we would like i:49 Designs to offer. The general consensus was we can offer the standard logo and the black and gray logo. We will have her offer black, gray and maroon options for clothing. Kelli will work with Tina at i:49 designs on setting this up.

#### 2. Hotel For ML Tournaments- Scott F.

We talked about if we want to stick with just one hotel for a host hotel or if we want to add the Best Western to our list. The owner is willing to work with us and we don't see a problem with offering a second hotel option. We will try to see if they will offer a sponsorship and 2 rooms for referees to stay in.

##### a. Tournament Update

- i. We opened 7 slots for every tournament (with our team taking the 8th spot). 12u has 4 teams registered, 14u has 2 teams registered, 18u has 4 paid registrations, 1 that payment is coming for and 1 spot held for Moscow who is registering soon. We will keep working to promote them. Kelli will post again on Facebook tagging other associations in the post to get their attention. Courtney will work on ordering the tournament pucks and player of the game pucks. Scott F. will order the banners.

### **3. Beginning Hockey updates**

Nobody knows what is going on with beginning hockey. Kelli will email Ryan to see if there is an update on this.

#### **New Business:**

#### **4. Rosters- Courtney**

We have 68 kids registered today. We are doing fine right now. We have a few more we are waiting to register still. She has passed a list to Mike of coaches who aren't completely cleared. Mike is working with those coaches to finish the process. She has also passed a list to Jill of 18u players who need to complete their SafeSport training. She is working with those kids to get it done.

#### **5. Debit Card-**

Troy would like to motion for Mike to have a debit card. He does a lot of purchasing for the association and it would be easier if he had one. He is clear that any purchase over \$250 that isn't a budget item must be brought for board approval. Alyssa motioned that Mike would be issued a debit card and Kelli seconded. All were in favor.

**6. Refing clinic-** This would be a time for our kids to learn more and get on-ice practice before reffing their first game. Jordan is willing to help run it. We would like to see if Ryan will help him with this. We are looking at November 17th. If our rink isn't open we will use the last hour of our Wenatchee practice time. If our rink is open, we will do it here at 11:00am.

**Meeting Adjourned: 7:00**

**Next Meeting: November 5th, 5:30pm**
