DECEMBER PHRASE: *Working hard until our idols become our rivals.*

JANUARY PHRASE: *I attribute my success to this: I never gave or took any excuses. – Florence Nightingale*

CLUB SPOTLIGHT:

Kyle Cox – Rocky North

Position: Skills coach/ 15 National/ 16 National

What is your most memorable moment as a volleyball player? My greatest memory and moment as a player was making it to the NCVF Semi-Finals as a Junior at Colorado State. We had won the Mountain West championship for the first time and played really well with the really fun group of guys so it was very memorable.

Greatest moment as a coach so far? My greatest memory as a coach has to be a tie between winning a Mountain West championship with the Colorado State Women's volleyball team or finishing in the top 4 at Spokane and Philadelphia in the 2018 season with a very fun group of girls that I still have this year.

How long have you been coaching? I have been coaching volleyball for the last five years in the Northern Colorado area. I have been playing volleyball for 9 years.

What is your favorite part of coaching? My favorite part about coaching is creating relationships with families that will last a lifetime but also using the game that I love to teach and be a part of the next generation that I hope gets to leave an impression that withholds a legacy. I hope that I get to have the same relationship with the girls that I have with my pass coaches.

Jackie Miller – Rocky South

Position: Head Coach 18 Black

How long have you been playing & coaching volleyball? I have 10 years as a player and coach.

What is your greatest moment as a player? AA champ in doubles at the Breckenridge Putterhead tournament.

Greatest moment as a coach? Taking open champions kc power to three sets with extra points in open at Vegas and then going into silver bracket in open that same tournament... and then winning a gold ball that season at Spokane by taking first in the USA division.

Why do you coach? That's a tough question...I think I change my answer every time :) but really, I love seeing kids take the knowledge, discipline, and leadership and turning that into more passion and success in volleyball and also taking these lessons and developing their life skills to make them lifelong leaders.
