

## Nampa Babe Ruth Softball Rules

Other than the exceptions noted below, the 2023 Babe Ruth Softball Rules and Regulations will be followed.

- **First Aid Kit:** All Coaches shall have a first aid kit to include: emergency phone numbers, ice pack, band-aids, gauze pads (large size), extra shirt and pants...etc. Other suggested items: rubber gloves, Ziploc bags, CPR mask. Assume all body fluids are contaminated and protect yourself and others accordingly.
- **Field:** Home team shall occupy the third base side of the field and the visiting team shall occupy the first base side. The home team shall provide the official scorebook and scorekeeper.
- **Game Time:** All scheduled games shall start promptly at the scheduled time and time starts with the first warmup pitch (**See Page 49**). Review each specific division for time rules for no new inning. There is no hard stop after no new inning, the last inning will be completed.
- **Game Balls:** Home team will furnish two new or "like new" game balls to the umpire during the pre-game warm-up. Game balls will be returned to the coach at the end of the game.
- **Inning Pitch Count:** Coaches must be able to provide proof of how many innings their pitchers have pitched per week. One pitch thrown in an inning will count as a full inning pitched.
- **Players:** If a team cannot field a team of nine players, they may pick up no more than three players from within their NBR division. Every participant shall play a minimum of six defensive outs and 1 at-bat during each game. While this is the league minimum, each manager is strongly encouraged to exceed this rule as much as possible. All coaches and scorekeepers must be informed before the game of any disciplinary actions and this shall be noted in the scorebook. Failure to meet the minimum play requirements shall be subject to protest by the opposing team and could result in a forfeit. The minimum play requirement does not apply to the game if it is shortened for any reason. (Note: If the last half inning of a complete game is not played because the home team is ahead, it DOES NOT count as a shortened game.) Validation may be required by the Babe Ruth District Commissioner regarding protests: Such validation shall be requested within 24 hours. Due to time limits on games, you may want to put your substitutes in at the top of the third inning.
- **Bench:** Players shall confine themselves to their team's dugout unless actually participating in the play or preparing to enter the game, or coaching 1st/3d base. No one except players, coaches, trainers, or bat girls shall occupy a bench during a game (**See Rule 3.16**).
- **Equipment:** All players shall use a protective helmet with a mask or shield on deck, at bat, and while on the bases and by players in the coaches' box. This includes any player retrieving bats (**See Rule 1.16a**). Pitcher, corner infielders (1st/3d) are required to wear an approved fielder facemask. Facemasks are strongly recommended for all players (**See Rule 1.16c**). The catcher or anyone acting as the catcher shall wear a catcher's mask while warming up the pitcher at home plate or any other location (**See Rule 1.18**).
- **On-Deck Circles:** The on-deck batter may only occupy the on-deck circle to the rear of the current batter, regardless of which bench/dugout her team occupies.
- **10-Run Rule:** The 10-run rule as described in the "Local League Options" section of the rule book (**See Page 49**), will be in effect for all divisions.
- **Umpires:** Nampa Babe Ruth League will make its best effort to provide one umpire to call the plate for all 8/10/12/14/16U league games. If an umpire is not available, the manager, volunteer or a coach may umpire. Field umpires are not provided by the league; however, the visiting team can provide their own volunteer field umpire for the game. Only the umpire or the director may call the game due to weather once the game has started.

- Each half inning shall consist of ten batters or three outs, whichever occurs first. All rostered players present at each game shall be listed in the team batting order. When an inning reaches the tenth batter, play is over when the third out occurs or home plate is touched by any defensive player in possession of the ball.
- A maximum of 10 defensive players will be allowed on defense at one time. If used, the additional defender must be positioned in the outfield. Since all players are in the batting order, free substitution is allowed. No player is allowed to sit out on defense more than one inning per game unless a special situation occurs.
- A maximum of two defensive coaches will be allowed in the field.
- In the first 4 weeks of games, pitching will be a player/coach combo. The player will pitch and after the 4th ball the coach will be called in to finish the at bat (the at bat cannot end on a walk). Coaches must pitch with at least one foot in contact with the pitcher's plate. If a coach is hit by a ball while pitching, the ball is considered a live ball with play continuing. After the first 4 weeks of games, there will be no player/coach combo; it will switch to player pitch only. Pitchers are permitted 5 warmups in their first inning and only 3 for every inning after.
- Use of a batting tee during games is prohibited.
- No walks will be allowed. Each batter will either hit the ball or strike out.
