Stamford Peace Youth Foundation

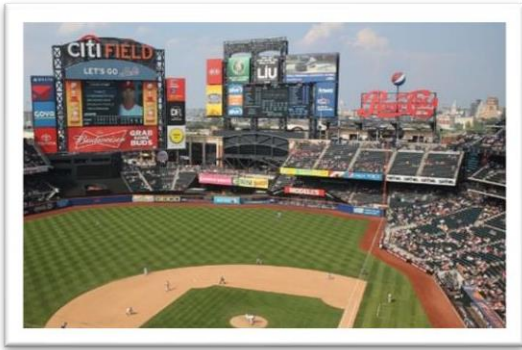

BECOME A SPONSOR

2023-2024

*Support Beyond Limits and Connect Your Business
To our Community of Local Students & Families*

Join Us in Our Efforts to Inspire Local Youth Excellence – in the classroom and in our community!

Picture yourself in the stands at your favorite sport, overlooking the court, field, rink, etc. What do you see in the background? Corporate logos! Corporations pay millions of dollars each year for sponsorships for one reason: **IT WORKS!** Sponsorship is a form of advertising that increases brand awareness and pays significant returns.

Your local businesses can gain this same benefit, with the bonus of making a real difference in our local community, by supporting the Beyond Limits Academic Program of Stamford Peace.

Beyond Limits helps local students develop academic confidence – with a focus on students eligible for free or reduced-price school lunch – through our provision of high-quality, subsidized, peer-to-peer academic tutoring, enrichment programming, informal mentoring, and academic advocacy.

Beyond Limits strikes at the heart of the opportunity gap which confronts our society's lower-income students. We support over **200+ students** each year, with over 80% of participants coming from lower-income families. We highly subsidize tutoring fees for our participants. Our growth and success reflect the perceived value of our unique academic support model, as well as the huge demand for affordable academic support, particularly for lower-income youth.

Beyond Limits provides:

- **Academic Tutoring** – High-quality, subsidized, peer-to-peer tutoring in math and science for 4th through 10th grade students.
- **Enrichment Programming** – Workshops and special events covering topics such as academic writing, time management and organizational skills, critical thinking, computer science and more. Plus summer programming that includes 6th and 9th-grade preparatory “bridge” programs.
- **Informal Mentoring** – supporting participants academically and social-emotionally as they transition into, through and beyond 4th through 10th grade.
- **Academic Advocacy** – We actively partner with parents, teachers, and administrators as important shared advocates for our students.

You can learn more about our programming and our impact on our [website](#) and in our [Annual Report](#).

As a 501(c)(3) not-for-profit organization, we rely on the support of local businesses and community partners to help every child receive the academic support he or she needs to succeed, in the classroom and beyond.

Over 200 young people and families are supported by Beyond Limits in some meaningful way. Please help us to positively impact even more lives – become a Sponsor today!

Beyond Limits Sponsorships

CENTER SPONSOR: \$10,000 – funds tutoring for ten (10) students for the full academic year.

Limited to one exclusive sponsor!

Our exclusive Tutoring Center Sponsor will receive:

- **naming rights** for our tutoring center, located at 925 Long Ridge Road, which will include an appropriate **physical sign** to be displayed for a full year **in the front of our facility**, with your company name/logo and the phrase “Beyond Limits Tutoring Center Sponsor”

and a large-size (e.g., 4’x8’) physical **banner** with your company name and/or logo to hang for the full academic year **inside the tutoring center**. Additionally, for the full academic year, in any of our publications and marketing materials that reference the tutoring center, we will include your name/company as the “Beyond Limits Tutoring Center Sponsor;”

- a page-width **digital ad** with image/logo on the Stamford Peace [home page](#), and a 1/3 page-width digital ad with image/logo on the [Beyond Limits main page](#) of the Stamford Peace website, with hyperlinks to your website’s home page;
- Three sponsor **social media posts**, on mutually agreeable dates; and
- a dedicated **press release** announcing the sponsorship.
