

I would like to thank all the people who volunteered last weekend. It was great to have UAF coaches Lance West and Eric Lergen along with coach Josh Petrich from the Kenai River Brown Bears participate in the camp. Kenny Rausch, USA Hockey Director of Youth Hockey & Flint DOUNGCHAK, Western Regional High Performance Camp Co-Director & Pacific District Coach-In-Chief also participated over the weekend. Also to Keith & Anetta for use of the Moose office. We started the week with 18 spots and as of today we have 23 kids going. Those kids will be attending the WRHPC in Colorado Springs June 15-20.

Also like to recognize 2002 Levi Gho and Hunter Strand for attending National Team Development Program Evaluation Camp.

Our 2001, 2002 & 2003's will be attending the
