Each manager must check with the opposing manager prior to the start of their game to determine if any player is ineligible to pitch in the game that day.

Pitching Threshold: Changes in the Pitching Rules now require all managers (or team scorekeeper) to report the pitch count for all their pitchers used in each game. You should report your information by email to webmaster.ny14@gmail.com. Your pitch count information should be received within 24 hours after game time and include the following: Tournament Name, League Name, Game Date, Player Names, Jersey #'s, Actual Pitch Counts and Pitch Thresholds. (Example 9-10B, Game Date, Team Name, Pitcher Name, Jersey #, APC #, T #). **Note 1: If you omit the threshold # we will assume it to be the next threshold above the APC which will add an additional day of rest for your pitcher(s).** **Note 2: It would be helpful if the winning manager would also include their Game Score information for both teams in a single communication.**

Reminder: If a team forfeits a game, it will be that league's responsibility to pay the umpires.

Hot dogs, pizza, etc. and/or a drink after the game is supplied by the host team for both teams.

Host team has the field until 35 minutes before the start time and the traveling team has the field for 20 minutes before the start time, until 10 minutes before the start time. Example: 6:00 game start - Host on field until 5:25, traveling team on field from 5:30 to 5:50.
