Thank you, in advance for assisting with MHA as a volunteer! Your help with the MHA coaches gives our MHA players a better experience! Please complete the below prior to volunteering.

MHA Volunteer Waiver of Liability and MHA Clearance of Volunteers

This agreement releases MHA from all liability related to injuries that may occur during volunteer assistance to coaches and players in MHA activities; including the understanding that such volunteer assistance is not compensable employment. I acknowledge that there are inherent risks in on-ice volunteer assistance for MHA hockey activities, not limited to slipping, collisions with other skaters and boards, and puck and stick contact, and other risks.

By signing this agreement below, I forfeit any right to bring suit against MHA arising from my participation in volunteer MHA activity. I will make every effort to obey safety precautions to protect myself, coaches, and players in these MHA volunteer activities. I also understand that the MHA coach is in charge of all activities related to such MHA practices and other activity. Further, I must first be given the below clearance by MHA to approve my participation as a volunteer.

I fully understand and agree to the above terms.
