CO-PRESIDENTS' MESSAGE

Return to Burlingame!

Do you live in Burlingame? If not, now might be the time to visit again. When you go downtown, you will see major changes – local stores, national brand stores, restaurants, new sidewalks, new parking, and lots of people strolling Burlingame Avenue.

If you visit BHS, you can see all of the new buildings – the sports arenas - including an incredible stadium and practice fields, the tennis courts, the pool complex. You can visit the new educational facilities and classrooms that offer the latest innovations.

Recent news about our high school comes from a research organization, *Niche*, which ranks the performance of schools across the country. San Mateo Union High School District is listed as the twenty-sixth best public high school district in California, out of about 1000 districts. Burlingame High School was chosen as the **best high school in the district**, tenth best in the Bay Area.

With all of the changes that have come to the Bay Area, it is comforting that, in many important ways, Burlingame and BHS remain pretty much the way you left them. The small town spirit is the same. The sense of community is the same. The people still value their town and actively support their educational institutions.

We urge you to visit if you haven't recently, especially if your BHS class is having a reunion in the upcoming year. 2016 will represent reunion possibilities for the following BHS classes:

5th for 2011 10th for 2006
15th for 2001 20th for 1996
25th for 1991 30th for 1986
40th for 1976 50th for 1966
And a grand 60th for the class of 1956!

The Alumni Association is fortunate to have **Laura Hesselgren Class of 1975** as its new Reunion Committee Chairperson. With her assistance, we can offer help in getting started with your class reunion. We have a new Reunion Guide that gives many ideas and suggestions, including a timeline if your class is just starting to plan its reunion.

Email us at reunionannouncements@burlingamealumni.org for additional information or to publicize an upcoming reunion. To view recent reunion activity, go to <http://burlingamealumni.org> and click on Reunions at the top of the screen.

So, get a small committee together - talk, expand, collect contact information and connect with classmates. Reach out, decide on your event, and come back to Burlingame. Have a celebration. See the town and tour the school. It is fun and rewarding to reconnect with old friends and classmates, and even more gratifying to work with the committee that organizes your reunion. Come and be proud of what BHS was to you, what it still is today, and what it will be to future generations!

Oh, and when you come, don't forget to proudly wear your new BHS Alumni sweatshirt. <http://burlingamealumni.org/catalog.php>. We look forward to seeing you!

Happy New Year to you all! Terry Naylor and Judy Chiasson, Co- Presidents, BHSAA

Principal's Message

By P. Di Yim

Dear Panther Alumni,

With the holidays just behind us, I want to wish you *Happy New Year!* BHS has had a productive fall semester, and we are looking forward to a spring semester that is just as dynamic.

In October 2015, we celebrated the upgrade that our library received through a generous donation by *Salesforce* founder and chairman, Marc Benioff (class of 1982), to honor his most influential teachers, Thomas Willard (who taught at BHS from 1970-2006) and Walter Saito (1969-1999). This updated look took form in the new BHS Library Learning Lab, our computer lab that has been re-configured with latest computers and student stations. Since the opening of this new learning area, we have seen a surge in the student use of our library.

Our long-awaited new academic building will be alive with students in January 2015. Recent tours of the new building have generated a great deal of excitement among students and staff in seeing spaces that will accommodate the Culinary Arts program, computer software classes such as Architectural Design and Computer Science, and specialized programs such as our Adult Transitions class. This addition to our campus enhances the academic possibilities for our students.

These new facilities represent a joint effort by our local community, alumni, district, and school staff to create new learning

spaces for our students. I am grateful for this strong support because a school community's commitment to its school creates a culture of excellence, as evidenced by the [2016 Niche rankings](#) of best schools. Burlingame High School ranked above the other schools in our district in national (#371) and state (#42) rankings. In the SF metro area, BHS was among the top ten.

Go Panthers!

Panthers In The News

A very nice ceremony was held on Oct 6th at the BHS Library to dedicate a new Learning Lab complete with several computer workstations for the students.

The dedication of the new computer lab was to honor a couple of teachers from BHS that had made an impact on the student who generously funded this project.

L-R Marc Benioff, Thomas Willard, Walter Saito

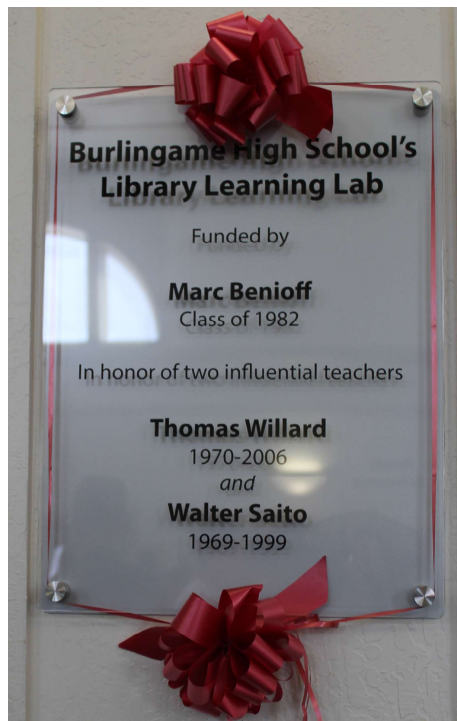

Teachers, Thomas Willard (1970-2006) and Walter Saito (1969-1999) were thrilled to partake in this special event. BHS graduate Marc Benioff (class of 1982) who has found success as the Founder, Chairman and CEO of salesforce.com., was the gracious donor of the new lab. The school is very grateful.

Mr. Willard and Mr. Saito shared fun stories of Marc as a student and his relentless pursuit and interest in technology. They both said they learned as much FROM Marc as Marc learned from them.

L-R Mr. Saito and Mr. Willard address the crowd

BHS and its Alumni Association thanks Marc for his generosity and also thank Mr. Willard and Mr. Saito for their dedication and the positive influence they had on students such as Marc. Good teachers leave lasting impressions on students and it's nice to see this acknowledgement.

The Wonder Boys Varsity Football team of 1965

The Wonder Boys, the last BHS Undefeated Varsity Football Team from the memorable 1965 season, were celebrated during the half time of the BHS vs. Menlo Atherton Game where members of that team were individually introduced in front of the home crowd to a rousing standing ovation

Players traveling as far as Annapolis (MD), Arizona and Colorado were in attendance. They were: #76 Fritz Eriksen DL, #31 Wally Poleshaj FB, #40 Kurt Snodgrass RB, #81 Steve deLaet TE, #42 Jamie Profitt DB, #32 Gary Fleming RB, #66 Craig Storek OL/DL, #43 Dave Shurtz DB and Rich Frank.

The Wonder Boys gathered at the Steelhead Brewery prior to the game for some food and drink before heading to the Stadium for their on field acknowledgement at half time.

L-R Rusty Knudsen '74, Kurt Snodgrass '67 and Mike Schembri '66 share some memories from their childhood days. These three have known each other for 50+ years and Mike coached Rusty in Senior Babe Ruth Baseball

Members of the 1965 team gathered on the field in front of their family, friends and the home fans that stood for a rousing ovation as each member was announced and stepped forward. The announcer ironically was there during that 1965 season as a reporter for the Times and was the perfect person to acknowledge this team's undefeated season.

Craig Storek and Wally Poleshaj hang sign commemorating the two undefeated BHS Varsity Football teams from 1940 and 1965.

Group shot of the 1965 team and cheerleaders prior to kickoff. It was a very nostalgic night, as some of the teammates had not seen each other for quite some time let alone get to sit together in the stands for a football game. This evening brought back great memories of their exploits on the gridiron.

L-R Craig Storek, Gary Fleming, Fritz Eriksen, Dave Shurtz and Wally Poleshaj

Wally Poleshaj and Craig Storek stand behind their banner urging the BHS varsity to victory. The Panthers were victorious over Menlo Atherton in a hard fought battle that had BHS winning 14-0. Prior to the half time ceremony, the wonder boys collected in the West end zone to witness a 4 down goal line stand inside the 5-yard line by the Panthers that conjured up a lot of fond memories for the '65 football team and their goal line stand some 50 years earlier on this same field.

As halftime approached, the 1965 members gathered at the west end zone and awaited their cue to take the field once again. This time they would be remembered and honored for their distinguished accomplishment that remains unchallenged the past 50 years.

L-R Jamie Profitt, Barry Frazier, Kurt Snodgrass, Mike Schembri, Colleen Cookson and Nancy Chandler.

BHS Alumni '74 on hand for ceremony, L-R Steve Mahlstedt, Dianne Ragozzino Knudsen and Rusty Knudsen

The 1965 team won their games decisively. Going 9-0 overall and 6-0 in League play. In fact Mills, (the #2 team) went 5-1 that year losing to BHS 48-13. The Panthers scored 255 points while only giving up 71, this while playing the backups much of the time. The team's average score per game was 28 to 7. Prior to the 1965 team, Burlingame had not won the Little Big game for the previous 6 years, until the 1965 team beat the Bearcats 20-0 in a mud bowl at home on Thanksgiving Day.

BHS football alumni also joined in honoring these men. They were: Hank Sauer Jr '70, Steve Mahlstedt '74, Mike Glafkides '74, Rusty Knudsen '74, Tom Hockridge '73, John Ferreira '73, Matt Hesselgren '80, Tosoni Lovulu '80 and current Panther Coach John Philipopoulos. (Pictures courtesy Dianne Ragazzino Knudsen)

In a heartfelt tribute to the past, players got up and recounted their winning season with great stories of the camaraderie they shared in achieving this honor while playing at Burlingame High School. Each player took us back 50 years and showed the friendships that were forged back then are as strong today. They recounted the blessing of good coaching and shared stories of Coaches; Bob Lightcap, Bob Booker and Ron Anderson. As one of the alumni stated, "Most of these guys look like they could play today".

The players also reminded the cheerleaders of the important role they played. Each received pre-game signs at their house before the game. How they looked forward each week to getting those signs for inspiration.

Cheerleader Colleen Cookson and Patty Panther Nancy Chandler showed their spirit, providing a special treat for those players in attendance by making signs like they did before each game to fire them up. They presented an updated sign to each player, which really capped off the night perfectly.

BHS Class Reunions Celebrated

Oh What A Night.....

The Class of 1965 had a great night of hugs; laughter and memories shared Friday evening Oct 10th at the Embassy Suites/Waterfront in Burlingame. The following day they met behind the Rec center at Washington Park to continue the fun with a yearbook exchange.

Some 90+ classmates started their Reunion weekend by attending the BHS Varsity football Game to watch the Panthers pummel the Aragon Dons 35-21. They also enjoyed a tour of the high school to see the changes from when they attended. Visit their awesome web site <http://www.bhs1965.com>

The class of 1965 is one of the most organized classes with their own Facebook page as well as their own website. Well-done guys.

Group Shot of the Class of 1965

The Class of 1975 After months of planning hosted their 40th Reunion at Poplar Creek Golf Course, October 17th.

It was a really special evening, with good food, wine, music but most especially old friends who really enjoyed coming together to celebrate the last 40 years!

We look forward to seeing all of you in 2025 if not before!

The Class of 1975

We are staying 6 months of the year in Benson, AZ where we have a lot at an RV Park Co-Op for over 55 folks. We are then spending 6 months traveling around the US and Canada. We have been across the US 5 times in the last 3 years. Plans for 2016 travel are a trip to Alaska (2nd time), on the AK Ferry system. We'll be starting in WA and getting off for 3-5 days at every island stop between WA and Haines, AK going up the inner passage. From Haines we'll be driving to Denali, Fairbanks and back to the US on the ALCAN Hwy. The entire trip will be 3 1/2 months. Of course there'll be lots of side trips and river rafting and a flight to the Arctic Circle

Tom Hockridge and Alan Lancendorfer, Classmates of 1973, sponsored a Xmas "Get Together" at the Millbrae Rec Center to offer musicians a chance to come together and jam. The venue was a perfect spot for everyone to come play and share in great food and drinks. Tom's wife Deb led the way in providing food for this and people contributed by bringing appetizers and beverages alike. So many talented people attended and shared their gift of music to a gracious crowd. Thanks guys for all the effort!

An Alumni Update

By Rusty Knudsen '74

Derek Barton

Class of 1970

After graduating from Burlingame High School in 1970, Derek attended the College of San Mateo for 2 years then transferred to San Diego State. His 16th hole play-by-play commentary at the Andy Williams San Diego Open during his last year of college propelled him into Show Biz. In 1975, Derek was hired by KTOM Radio and soon became the most popular DJ in Salinas, Monterey, Carmel and Santa Cruz. Derek moved to Hollywood in 1977 and proved he had more than just a voice. He became an actor, stuntman, writer and comedian, and he continues to use his voice in commercials, cartoons, movies and television shows.

Besides crashing cars and jumping out of windows on fire, Derek guest-starred on such shows as *Hill Street Blues*, *The Fall Guy* and *V*. He wrote a one-act play entitled *The Stand-up* that was produced at the Beverly Hills Playhouse. Since then he has written a full-length play, two TV

episodes, a pilot, three screenplays, some award winning poetry and a children's story.

Derek has performed stand-up comedy at such renowned venues as The Comedy Store, The Improv and the Friars Club in Beverly Hills. He also M.C.'s many events locally and around the country.

From 1982 to 1999, Derek was the manager and shortstop on the infamous Coney Island Whitefish softball team in the Hollywood Show Biz League. The Whitefish also played outside their league in numerous charity games. Some of his fellow actor friends on the team were Billy Crystal, Chris Guest and Rob Reiner.

In 1985, Derek's entertainment background landed him a job at the largest co-ed gym chain in the world, Gold's Gym. He started as the head of the Gold's Motion Picture and Television Division, which he innovated. The Motion Picture and Television Division promoted Gold's clientele and products in television, feature films, commercials and print. This unique service formed the basis for one of the answers on the popular game show, "Jeopardy."

From the success of the Motion Picture & Television Division at Gold's Gym, Derek became the Senior Vice-President of Marketing and helped build Gold's Gym International into one of the most respected and recognized brands in the fitness industry. During his two-decade tenure, Gold's Gym received numerous

awards and accolades for its innovative marketing, with many ads being reprinted in advertising and educational textbooks. In 2005, marking his 20th year of building and protecting an American Icon, Derek and Gold's Gym were featured in America's Greatest Brands book.

In 2006, Derek formed Barton Productions, a marketing consulting company based in Los Angeles, which helps its clients become more valuable and meaningful by differentiating themselves from competitors through improved branding, advertising and customer service. Derek is widely published in industry magazines and continues to be a much sought after public speaker on branding, advertising and customer service.

Derek has attended all his BHS reunions as well as the annual BHS Alumni Baseball Game & Golf Tournament and says, "I will always be there for my class and for Burlingame High!"

**9th ANNUAL ALUMNI
"Field of Dreams"
BASEBALL GAME
May 7th at Washington Park**

This year's Alumni Baseball Game will be held at Washington Park on Saturday May 7th. BHS Alumni spanning 1957- 2014 are invited to play or just come out and reconnect with past teammates and classmates.

Come on out and "PLAY BALL!" Players of all experience levels are welcome and are promised a great experience. The old timers game is low key, low pressure and virtually a glorified softball game. But what other event allows you to hit a hardball on the diamond and run 90' bases. Everyone has a great time and enjoys the camaraderie and friendships re-established at this event. Coaches Bob Milano, John DeVos, Terry Christman and Rich Scuitto have graced this event and always look forward to attending and sharing stories with fellow players.

We have no problem fielding an old timers game but the youth have been tardy. Let's get the turnout this event deserves. Come on out and "Let's Play Ball!"

Please contact me with your intent to play. We're looking to hold two games this year again. The first game with the "older" Alumni is a low-key baseball game followed by the younger alumni in a more competitive format. So please get back to me asap, so I can start setting up the teams and venue Rusty Knudsen my email address is as follows, BHSALumni74@gmail.com the games are usually followed by dinner, venue for this years event is still TBD.
