

Meeting call to order by Commissioner, Rory Holland at Lebanon Park on May 30 at 1:05.

Roll call showed that 16 teams were present with Milton and Neosho coming late..

Minutes of the previous "Zoom" meeting were read by Secretary, Ron Bartels and approved.

Field availability was reviewed by team by Rory. Many still have delay in using the field or do not have restroom availability. Teams with issues need to respond to Rory by June 14 with updates.

Rory read the Covid-19 guidelines that the committee developed. These are to be the starting guidelines for each team. Teams must insure they are meeting all local Covid-19 requirements set by their local government in addition to the committee guidelines.

Rory will email league Covid-19 guidelines. Please post guidelines at your field in several key locations to inform players and fans.

All players must sign league waiver to be eligible to play. This includes players that have signed waivers in the past. NO SIGN--NO PLAY.

Season to start weekend of June 27 & 28. The original schedule will be followed with maybe a few minor changes. Umpires have been scheduled and teams know those dates. A motion was made by Milton and seconded by Brownsville to try to schedule each team with 12 games adding a week or two to the original ending date of the regular season. Motion passed. Rain outs may or may not be rescheduled due to shorten season.

Motion to adjourn.

Ron Bartels
Secretary-Treasurer
