PIONEERS

COACH'S CORNER

Dear Pinnacle Family,

Welcome to the 2023 Pinnacle Football season! This will be my 21st year as head coach, and I couldn't be more excited about this upcoming year! After our state championship run last year, our players are more motivated than ever. We have had an incredible off-season, with leaders emerging in every class, and we have had incredible buy-in. This is reflected in the strength gains made in our weightroom. We have one of the strongest teams ever, and we believe it will show up on the field.

I believe that football is the greatest sport in the world, as it teaches us many life lessons. Football is a mirror of life. There are triumphs, failures, great struggles, and perhaps most of all, there is adversity. Success is obtained through a mixture of talent, hard work, and heart. It is through the lessons learned on the field that aid us off the field every day in our personal lives. That is why I believe the purpose of participating in football is to develop young men into successful, responsible human beings. Ten years ago we embraced the CHARACTER MATTERS CURRICULUM, which is our character playbook. This year's theme is CONQUER WITHIN. We want to develop the "inside stuff" that will not only carry us on the field but also in life.

Our core values are simple: 1. Do what's right 2. Do your best 3. Show that you care. We have spent a lot of time discussing the importance of defending our core values EVERY DAY. We believe if we defend these values fiercely, we will not only win on the field but also in life. #DEFENDTHECORE We also believe that every player is not only accountable to his coaches, but also to every other player. We want to create a team culture that emphasizes WE over ME.

Every year we try to make the Pinnacle Football Program one of the best in the state. We are excited to have a brand new synthetic turf field with updated colors, logos, and improved technology.. Our stadium now has new LED lighting, which is more reliable, energy efficient, and brighter. We are now in our 10th year in our football athletic complex, which was completed in April of 2014. Our weight room was renovated to include state of the art wall mounted folding racks, inlaid platform and synthetic turf flooring, and a 4 wall graphic vinyl wrap for inspiration! We are also in the process of replacing our indoor hallway turf (with a new color!) We are also in our 9th year of broadcasting all of our varsity games and will be returning to using YouTube to broadcast games live FOR FREE. We upgrade our equipment and uniforms annually, when most high schools must wait for their turn in a rotation. We are in our first year partnership with NIKE, which means new NIKE uniforms across the board for our varsity, new equipment, and a new stadium wrap. Our booster club, Pioneer Football, Inc., has played an integral part in supporting these additions. Pioneer Football continues to grow bigger and stronger every year. Pioneer Football's involvement ranges from fundraising and financial support to game day management and community involvement. It is through their continued efforts and involvement that makes our program one of the finest in the state. I encourage you to get involved in any way that you can.

In closing, I would like to thank my family, the coaches, our athletic director Faulynne Grice, Patrick Hurley, our assistant principal in charge of athletics, our principal Dr. Smith and the school administration, the faculty and staff, the Spiritline, the Big Blue Band, our parents, families, the student body, the Crazies, and all of the Pinnacle fans for their continued support. I would also like to commend our players for their dedication and hard work. It is through all of our efforts that make this program a success.

GO BIG BLUE!

WELCOME TO PIONEER FOOTBALL

Greetings to the entire PINNACLE PIONEER FOOTBALL FAMILY!

The 2023 football season is upon us!

This is my third year as President of the Football Boosters. I am honored (more than ever) to see and hear all the enthusiasm and hard work currently happening in this great football family.

Our state championship run last year only reinforces that the Pinnacle High School football program is one of the top programs in Arizona and the entire U.S.

Since last season, we have made notable improvements to the Pioneer football facilities including the new turf field and our new partnership with Nike for a new stadium wrap. These upgrades and additions, along with several others, were completed only because of the many generous donations to our football program. A HUGE THANK YOU AND SHOUTOUT TO ALL OF OUR DONORS! We could not do this without your support!

Once again, Coach Zupke and his very hard working coaching staff have done a great job in preparing our teams for another stellar year. The strength and conditioning gains this past off-season in the weight room have been amazing. I firmly believe that these gains will directly translate into another football record season.

I am also honored to be part of a football program that truly believes in developing well rounded young student- athletes. At the heart of this is Pinnacle's Character Matters curriculum which includes defending our core values every day both on and off the field.

Lastly, thank you parents, families, student body, the entire school and all the Pioneer fans for your continued support. We could not do this without you.

GO PINNACLE PIONEERS!!! GO BLUE!!!

ADMINISTRATION

MESSAGE FROM THE PRINCIPAL,

Fall is my favorite time of year. My fondest memories are the smell of the grass, the lights of the stadium and the roar of a crowd. It's football season again and we are ready to make our mark on the North East Valley Conference. Our players and coaches have spent countless hours in the weight room and on the field in order to achieve our one goal: a State Championship.

We have a proud tradition of excellence at Pinnacle High and it is evident in the sacrifices that are made by each of our student athletes. Their commitment, dedication and unity ensure not just the program's success but also the success of the entire school. I'm reminded of the illustrious words of George Halas, "Nobody who ever gave his best regretted it." I have witnessed the hard work our boys have put in, and I am confident that we will have success. I can't wait to put on the Blue and White and cheer loud and proud for our team.

On behalf of the Administration I would like to thank the tireless efforts of our coaching staff, booster parents and our fans for their support and encouragement. I know that without their continued commitment to success we would have no victory. I will leave you all with this: "Success isn't owned, it's leased. And rent is due every day." It's time to collect that rent!

Good Luck Pioneers!!!

FROSH-SOPH COACHES

Chris Parries

JV, Frosh-Soph Head Coach and Varsity Running Backs Coach

Pinnacle Football is lucky to have Coach Parries as Head Freshman Football Coach for the 2022 Season. While it is Coach Parries first season as a Pinnacle Pioneer, he is no stranger to the game. In high school, he played a defensive back at Apple Valley High School in Minnesota. After high school, Coach Parries attended college at ASU and has remained in the Valley. In addition to playing the game, this is Coach Parries' 10th year in a coaching position. He has held various JV head coaching and other Varsity coaching positions around the valley. In 2014, the year that the Arizona Rattlers Arena Football Team won the League Championship, Coach Parries held the role of Offensive Analyst.

When he is not on the field coaching our players, Coach Parries can be found teaching history. He also has a home team, which includes his girlfriend Adela, a 3 year old son Victor and an English Bulldog named Barkley. He likes to stay active and enjoys traveling, hiking, biking, swimming and playing basketball.

ONLY 525 PER FAMILY TO JOIN!

The Parents of Pinnacle (POP) is the main booster club on the Pinnacle High School campus. We are the parent organization for all sports and clubs on campus and handle the tax preparation, carry the 501(C)3 non-profit status, and oversee the bank accounts.

Many families don't realize that none of the club fees go to support Parents of Pinnacle, so we must raise our own funding. Visit our website and become a POP member right now!

Your low annual \$25 membership fee helps fund:
