

# Team Sponsorship 2025 - 2026

## Sponsor a Youth Hockey Team

### Put Yourself at the Center of the Community

Tonka Youth Hockey gives you access to promote your business and drive a deeper connection with MYHA families, players, coaches and volunteers through team sponsorship opportunities and packages.

We invite you to be a part of our community by sponsoring one of our youth hockey teams. Hockey is an expensive sport and MYHA works hard to keep costs for our players as low as possible.

Connecting with our hockey community is what will set you apart. Build loyal relationships, unlock the passion of our families and provide financial support for kids to play hockey.

Your sponsorship not only benefits you and your business, it also provides more kids in our community the opportunity to play hockey.

# MINNETONKA YOUTH HOCKEY
