To The Parents/Guardians of the Solon Stampede Baseball Program:

As a result of Governor DeWine mandating the closing of all schools in Ohio, the Solon Stampede will have a mandated break period beginning Friday, March 13 until Friday, April 3. We will await further instructions regarding the decision from Governor DeWine.

If it is determined that schools will resume on April 6, we will permit practices to occur on April 4 and April 5. We will be cancelling immediately all practice sessions at all practice facilities; obviously we cannot prevent players and families who still want to work out at private facilities, but there will be NO FORMAL GATHERINGS under the Solon Stampede umbrella, which would mean that our organization insurance policy will not cover these gatherings.

As soon as we hear word from the governor's office, we will be in contact on the next step; until that time, we hope the kids have a nice break, and we hope that this will not negatively impact any of our families or provide additional hardships during this time.
