

Ski & Board Team Week 3 Update, PLEASE READ

Team: Well, you can't say that Saturday's conditions weren't interesting. As you all know the freestyle and slalom races were cancelled due to "unsafe" conditions. However, Nordic races took place. That means that the qualifying requirements changed for Dotty Clark.

- Freestyle and Slalom Racers will only need to compete in **2** Saturday races in order to qualify for Dotty Clark
- Nordic Racers will **still need** to race in **3** Saturday races. **NOTE:** No Nordic Races on Feb. 9th!

Congratulations to all of our top three finishers that races Nordic this week. Kate Ryan 1st place NNO, Josie Pape 1st place NEX, Sam Pape 1st place NEX, Jacob Brotman 2nd place NNO.

- There are still a few of you that have not picked up your team sweatshirts, they are available for pickup in my room (704). Please drop by to get yours!
- Check our Team Page for race results Monday. If there are any issues you will need to bring them to my attention before Wednesday following each race.
- This week's team Masses is Thursday Jan. 24th at 7:25 am in the Chapel. Your attendance is required at every team Mass in order to letter. Get there early and don't forget to sign-in (That can be after Mass, look for me).
- **How to handle a DNF.** If you fall during the race and can still make it around the next gate without missing the one above you should continue. However, if you fall and miss a gate do not continue on the course. Gather yourself/your equipment and move off the course ASAP. If you lose a ski you will automatically receive a DNF. Gather your equipment and move off the course ASAP. A DNF gives you credit for the race and gives our team 1 point.
- Any questions please come and talk to either Mrs. Shanahan or myself (Mr. Franklin). Ski hard and have a great time!
