

2023 OFFICIAL FOOTBALL PROGRAM

# MAPLE GROVE

# FOOTBALL

MG

OUR TIME IS NOW

# LET'S GO!!

Another fall is upon us after a season in 2022 that will live in the memories of Crimson football fans for a long time. But there is a group of young men on that field right now that got right back after it and poured their hearts and souls into this team to bring you a great 2023 as well.

With so many new faces out there this year, it will be an exciting time as a Crimson because we get to see the first experience for so many out there on a Friday night, in front of the best atmosphere in the state at The Grove!

A special thanks to all of the member of our coaching staff, community, administration, alumni, parents, fans, and, most importantly, the players who give their all every day to keep this program something that will make all of Maple Grove proud. I am blessed to be their coach.

Now all we ask from you is to fill this place, get it rocking, have a blast, sing, dance, **GET LOUD** on their 3rd down, and make a night at The Grove the greatest place in the state!

It is the best time of the year and our time is now!  
Go Crimson!

DEFENDING 2022 STATE AAAAAA CHAMPIONS

## GOOD EVENING, CRIMSON FAMILIES!

It is my honor to welcome you to the 28th season of Crimson football, and the first in which we celebrate our mighty Crimson as the defending 6A state champions! While the memories are still fresh of that incredible 13-0 season, culminated by a 27-10 Prep

Bowl victory over Rosemount, we now look ahead to a new year with great opportunities. The work our players and coaches put in since last winter is markedly impressive; their dedication evident to achieving greatness while writing a new chapter to strengthen the tradition of excellence that is Maple Grove Crimson Football.

Everyone has their reason - their "why." For some, it is being part of a team - the experience of being a part of something bigger than oneself. For others, it is the grinding process of working together and pushing one another through competition with toughness and discipline. It could be in honor of loved ones - family, coaches, and community members. This much is certain: each member of Crimson Football has their "why," and the 28th season of Crimson football has all the signs of something very special.

At Maple Grove Senior High, we teach, model, and reinforce for our students **The Crimson Way: Motivation, Gratitude, Scholarship, and Honor.**

It is no coincidence that these practices are also embedded within the game of football. Through commitment to a team one can learn - regardless of race, age, faith, orientation, or any identity characteristic - the values of trust, selflessness, character, dependability, responsibility, accountability, and more. Football truly is a unique opportunity for our differences to be molded into unity, where a collection of students dedicated to a common goal can unite behind that purpose and embrace one another as brothers. The strongest

of bonds are forged through adversity and love abounds through that which divides us. So it is with Maple Grove Crimson football, and I thank each and every player, coach and family for giving of yourselves for a common purpose which can make us all better.

On behalf of Maple Grove Senior High, I want to thank our families, community members, business leaders, and MGYFA for your tremendous support and generosity. There is a direct correlation between the strength and positive attributes of our football program with the overall spirit of our school. Without your support, this would not be possible.

After the conclusion of every game, please stay and watch our players shake hands and greet their opponents with class, and then return to our stands to sing the "Crimson Fight Song." It is a moving display of gratitude, appreciation and unity, and it is a great example of what makes our program special.

So, the 28th season of Crimson Football is here, and we could not be more excited! For everyone here at Maple Grove Senior High, I sincerely thank you for your support.

## BOOSTER CLUB

The Crimson Football Booster Club is a non-profit organization providing benefits to the Maple Grove Senior High School football program, which supports more than 200 student athletes each year. Building and maintaining a championship team, while also financing the scoreboard project that benefits all Maple Grove Senior High students and the community, requires financial support from donors. Your donations, which are tax-deductible, provide the following services to support the entire Maple Grove Crimson football program.

### This includes:

- Uniforms and equipment
- Concussion testing for athletes
- Additional coaches and coach training
- Updated technology (i.e. new video scoreboard, cameras & Live Stream equipment)

Please consider giving to our organization and check with your employer as they may have a matching grant program. You can give via our business Venmo account (@Crimson-Football; please state '2023 Donation' in the notes) or you can give via our web site here [crimsonfootball.org](https://crimsonfootball.org). Thank you for supporting Crimson Football!

## MAPLE GROVE YOUTH FOOTBALL

### Dave Malenke Youth Football Night

Dave Malenke Youth Football Night is named in honor and remembrance of one of the most influential members of the Maple Grove Football community - David Dale Malenke - who passed away in March of 2021.

Dave helped establish Maple Grove Youth Football in 2011 and spent the next decade volunteering endless hours as a coach, board member and mentor for both the youth program and Maple Grove Senior High School football. Dave was a man of action and integrity; he lived an exemplary life of servant leadership, and his spirit of service above self remains a cornerstone of MGYFA's existence. While Dave's impact on football in our community cannot be overstated, his best trait was being a kind and loyal friend to all.

As well, the David Malenke Servant Leader Scholarship was established in his honor, and will benefit a graduating Maple Grove High School football player who best exemplifies the character traits most important to Dave during his life. More details about this scholarship are available at <https://yfb.mgyfa.com/malenkescholarship>.

# GO CRIMSON!

RBA is a digital and technology consultancy headquartered in Wayzata, MN with roots in strategy, design, and technology.

We have designed our services and engagement models to align to the unique needs of our clients. Whether that is adding capacity to a team, helping to deliver a solution on new technologies, or providing support after launch.

At RBA, we are designed to deliver.
