2. Then click on the player profile you wish to add a parent/guardian for. If more than one player profile exists, just select any one of them

3. On the next screen in Guardians area, click on plus symbol +

4. Add the email for the other parent/guardian:

Invite a Guardian

Invite:

mattssi88@gmail.com|

5. Make sure to have the button turned “on” for each player that guardian should receive notifications for (parents with multiple players, turn on for each one):
