

April Dugout Club Meeting Minutes
04/16/23

- Fundraising:
Raffles – everything is going good. Still time to make sales. Haven't got many asking for more.
- Summer Baseball:
 - Summer Teams not yet formed. Ted working on getting out the google form to players soon. Hard when freshman haven't even played a game yet.
 - Will need drags for summer ball. Coach will order.
- Summer Tournament:
Still need a coordinator for VFW tournament. Jen will look back at volunteer sign up from parent meeting and send those contacts that expressed interest in summer ball.
- Summer Coach Pay:
Since we are down 1 coach, we agreed to disperse what we would have paid that coach to the other coaches. Looking at a 3% increase in pay if it is in the budget.
- Financial Update:
Financials are stable right now. Awaiting raffle deposits and most of our expenses have not gone through.
- Events:
 - First event went well. Good feedback, good turnout. Still could use more parent volunteers.
 - Will ask Sam to send out the volunteer link again to ALL parents. Especially need help with set up at the early games. Other Theme games are going well as far as planning and volunteers.
 - Coach gave Jen access to post on Facebook.
 - Next week is up in the air with the weather.
 - Maybe will try to schedule a few Team meals if we have some Varsity parents interested in spearheading it.
- Next meeting:
waiting to schedule until we have a better handle on our schedule in the next few weeks.
