Scott will be the chair of the committee this year, from past experience, we need to consider having more people on the committee for the selection process since things come up and those that have committed can't always make it

Michelle made a motion to adjust the policy to state minimum of 6 members on the committee, Jenna 2nd, motion passed

The board clarified and provided a little direction for the committee with a guideline of relative definition in the policy. Relative should be defined as brother, sister, husband, wife as well as the clarification of conflict of interest. Conflict of interest should be considered as someone who applied at that level or is involved with that level.
