This year the Hudson Hockey Association was selected as a host location for the Bantam B State Tournament!

Good luck to all of the skaters participating in the state tournaments. Hudson Hockey is proud of all the representation we will have across the state and many will be defending state titles. This is something we should all be proud of, Go Raiders!

Hudson hosted a Mite Level 2 & 3 Jamboree on 2/22/20. We had 16 total teams attend this event and Hudson had 8 teams that participated. Thank you to the teams for donating the items for our raffle. The raffle brought in just over \$1,500 to the association. Overall, we had a lot of positive feedback from our parents and visiting teams on how well the jamboree was run! We couldn't have done it without all those who volunteered!

Registration is now open for our summer
2020 Rink Rat program.

Let Us Introduce:

Mike Haider

I was first involved in Hudson Hockey as a youth player in the 80's and finished up playing for the high school team, graduating in 1994. I coached for a couple years in the late 90's. I was a squirt age level rep, the Chair of the PCDC committee, and then was successfully elected to my current role of President in 2018 and re-elected to president in 2020.

As president, my primary role is to oversee the organization. I preside at all board meetings and I try to attend as many committee meetings as possible. A little about my family; my wife Angie was a Hudson Hockey Cheerleader in the early 90's and continues cheering on her family at HHA. My daughter Avery is a freshman on the girl's high school team, Everett is a bantam skater, Declan is a pee wee goalie, and Grayson is a squirt goalie.

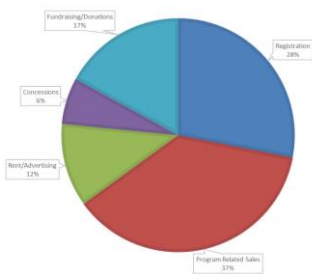

I always tell my kids the same thing before a game,
"Skate Hard and Have Fun."

HAVE YOU SEEN THE NEW ZAMBONI?

After thousands of laps around the rink it was finally time to retire one of our Zamboni's. In January, the brand-new Zamboni took the ice.

Reminder, each team is responsible for resurfacing the ice before every practice or game. We are always in need of Zamboni drivers. If you are interested in learning please contact Brad Ertel bradertel@baldwin-telecom.net. This is a great way to earn volunteer hours!

Do You Still Need to Complete Your Volunteer Hours?

With the season coming to an end make sure you are getting your volunteer hours in. Each family is responsible for fulfilling their hours. There are still open shifts so make sure you log into LASH to sign up.

If you have any questions about this please contact:

We are currently looking for 5-6 people for paid positions to help with **BINGO** at the Smiling Moose.

Please contact Fran McLellan at mclellansconcessions@gmail.com to find out how you can help! This is a great fundraiser for HHA but we need your help.
