

# Northeast MPLS JUNIOR HOCKEY

The Minnesota Mullets are a Junior A hockey club based in Northeast Minneapolis, Minnesota. The Mullets are members of the United States Premier Hockey League.

The team skates out of the Northeast Ice Arena and rosters players from all across the United States and locally from the Twin Cities. They share a common goal, earn a scholarship to play in the NCAA.

Junior hockey is a necessary step towards playing at the collegiate level. The players range from the age of 16 - 20 years in age and are driven to earn NCAA scholarships while playing for the Mullets. The program has been very successful and has placed over 30 players into the NCAA in the past six years.

The team plays divisional opponents in Wisconsin Dells, Wisconsin Rapids, Hudson, Rochester, Owatonna, Coon Rapids, Blaine and Cambridge. They also travel to league showcases in Chicago and Boston.

Off the ice, the Mullets have been equally successful in their communities. Projects in the past have included highway clean up, outdoor ice construction and maintenance, food drives, toy drives, winter coat drives and back to school backpack projects.

The Mullets are engaged and involved with the local youth hockey programs and elementary schools. Players assist with youth practices on the ice, off the ice and they have spent time in class rooms reading to children, assisting with science projects and gym classes.

The Mullets currently sit in first place in a very tight Midwest Division. The team is poised to build on that success and driven to win a league title. The games are packed with action and entertainment, ran by a professional game day staff and very affordable.

You can catch the Mullets in action this Halloween at Ridder Ice Arena on the campus of the University of Minnesota as they take on the Minnesota Blue Ox in a Midwest Divisional showdown and at the Northeast Ice Arena for their "Home Opener" on Black Friday, November 25, 2019.

A complete game schedule and additional information on the Minnesota Mullets can be found on the team's website [www.MulletsHockey.com](http://www.MulletsHockey.com).
