

Hi,

I am writing on behalf of the Prior Lake Wrestling Club. We are a 501 c 3 non profit wrestling club serving the Prior Lake - Savage area. For the past 55 years we have prided ourselves on being a welcoming team for all kids from Pre-K through High School. We offer youth a place to be physically active while making invaluable connections with peers and coaches. Our club uses all of the funds raised to help pay for coaching, equipment, uniforms and so much more. We would not be able to keep serving our team of young people without important partners like you.

We would love to have your company as a team sponsor. As a sponsor your company logo would be featured on our club T-Shirts given to each wrestler, Banners at our high school wrestling meets, and PLWC programs. I have attached a brochure highlighting the various levels of sponsorship. We would love to start a partnership at any level.

If you are excited about being an integral part of keeping local athletics alive, please reach out to me, Kari Donnay. I know together we can do some pretty amazing things for these young athletes.

Go Lakers,

Kari Donnay
